About Us

Nutriwell India, Founded by Dr. Surabhi Jain, is one of the best Diet and Nutrition Consultancy of India. Nutriwell was awarded for Excellence in Health care in 2016 and 2017 by Femina WWL. Nutriwell is associated with many corporates Media houses, leading hospitals, NGOs & MNCs.

Dr. Surabhi Jain is one of the few Nutritionist from the field of Medicine with years of experience in the field of Nutrition. Dr. Surabhi Jain is 'Chairperson for Woman Entrepreneurship' with ALL (All Indian League) and Indian Women Economic Forum. Her Academic Background includes B.D.S., MBA (Health Care), M.Sc. (Nutrition and Food service Management) & PGDPHN from the most Prestigious Institute, Public Health Foundation Of India. Her earlier public health stints with professional bodies, government and NGO's like FHI(Urban health initiative as Project Officer), HLPPT(Project officer), GOI (as epidemiologist), MOHFW etc. became the drivers of her passion to finding organic and non-medicalized solutions to health issues.

In partnership with corporates and NGOs, she has led numerous workshops and knowledge sharing sessions. Even to date, with innumerable success stories and testimonials to her account, she drives her passion to give individualized, patient centric care.

For her invaluable contribution to the field of Nutrition, she was awarded the 'Super Woman Achiever' by the World Health Leadership Congress in 2016. For more on her, she has been a regular feature on the female show "SANGINI", "Meri Saheli" ETV. She was Nominated for Excellence in Health care by FICCI, FLO. She is chosen among the few women Entrepreneur who are Mentors in Prestigious WE CAN Program by Cherie Blair foundation and US Embassy. She is awarded for her contribution by CWF and Leading Media Group Hindustan Times. She was awarded the prestigious 'Shining Star'17 Title from Women in work and Barclay's for strong Online presence of Nutriwell India.

Team Nutriwell India Strongly believes in Client Centric approach. If you need any help kindly contact us we can always make a customized plan for your needs.
